Action: See Paragraph 2			
<p>1. We are informed by <input type="checkbox"/> that ODOPAL administered an Incompatible Operation in Germany during the period 1949 - 1954 which bore the name "Operation Campus".</p> <p>2. We hope that a review of ODOPAL files on this case might produce leads which could be exploited in our <input type="checkbox"/> Operations Program. Hence, we would appreciate it if Headquarters would attempt to gain access to these ODOPAL files, which we suspect are probably located in ODOPAL Headquarters, and forward either the files themselves or pertinent extracts to BOB for review. We would be particularly interested, of course, in the identities of persons engaged under "Operation Campus" who now hold positions in WEBRUKE targets of interest to KUBARK.</p> <p>3. We can appreciate that obtaining and analyzing these files may be an arduous task, but we feel nonetheless that the process may well be worth the effort.</p>
