#### TESTIMONIAL

#### TO WHOM IT MAY CONCERN

IGNAS AFYRODIS has been employed at this Hospital, as the Superintendent of a Mixed Services Organisation for a period of 14 months. He has been personally known to no, and under my supervision for a ericd of one year. During that time I have had no fault to find with his duties, which to has consistently maintained at a high standard. He is a very good disciplinarian; combining tact with judgement; and has kept his unit to a very commendable standard of efficiency. I have found him to be trustworthy, conscientious, and loyal; of excellent manner and address, and very temperate in his habits.

I recommend his employment in any capacity which calls for such qualities. The termination of his employment with the M.S.O., which ho has served for 75 years, is due to purely technical reasons, and is in no way a personal reflection upon his character.
