Just FYI.

It looks like we will be setting up another security conclave this week.

[redacted] if any of the conversations you will be having about this could/should affect the timing of this meeting, please let me know.

Good morning [redacted]

The Argo shoot date seems to be barrelling towards us with no regard to the fact that I am NOT ready for the holiday season to start!

!! Despite my wanting to slow down time, we would like to get a meeting together to discuss escort volunteer requirements, locations, schedule, etc. for the Saturday shoot.

(b)(3)

Looking at the schedules for our office, Wednesday would be good for us. Thoughts?

Thanks!
