Proposed Handling of CAMISE

NO INDEXING

REFERENCE: EGNA-19983 dated 21 October 1960' - sent RL - 2 Nov

ACTION REQUIRED: See paragraph 3.

[]

1. CAMISE could be reactivated most advantageously within the framework of your more or less overt status. This of course does not preclude the possibility of getting secret information from her. Based on my long acquaintance with Subject, she would prefer a relationship with the case officer in which contacts are casual, on short notice (whenever there is something to be discussed) and without any unnecessary elements of secretiveness. CAMISE is an intelligence professional and she has an excellent feeling for what is overt and what needs to be hidden.

2. CAMISE can only be handled by an officer whom she accepts as her intellectual equal. She would expect the case officer to be thoroughly familiar with the Bonn scene.

3. I recommend that CAMISE be handled by Bonn Base for KUTUBE and possibly CAVIGOR purposes.
