SCI DETACHMENT THIRD US ARMY
G2 SECTION
APO 403

TO: Director, Office of Military Government for Bavaria

Attention: Economics Branch

FROM: Capt. E.W. Tims, CO. SCI Third US Army

SUBJECT: Herbert Berthold-Bernard

1. The above named individual has been closely associated with SCI during the war and after the close of hostilities in the Bavaria area.

2. During that period of time he has rendered valuable service to the American cause.

3. A complete record of such activities is on file with CIB US and his duties were performed at the instruction of SHAEP and USPET

4. It is now desired that in appreciation of his services he be given preferential treatment in the establishment of a wholesale trading association. It is essential that he be at least partially sponsored by the American Occupation Forces as his services for us have in some instances become known to the Germans and as a result he has been the subject of discrimination through no fault of his own.

5. It is therefore requested that his petition to establish a wholesale trading association be endorsed by the Economics Branch so that his request to the German authorities will receive favorable consideration.

6. The operations of this office have been approved by CIB USPET and A.C. of S. G2, Third U.S. Army.
