We have studied further the file on the Subject of the references, particularly as to his possible value as a CART source. We conclude that it is not worth the while of FOB to contact thin, and therefore will take no further action unless directed to do so by Headquarters. Our own feeling is that the preliminary scrutiny of Subject necessary to reach conclusions as to his own veracity would consume more time than his — at best, tenuous — connections with his former spitzels or his value as a source of GART information warrant. 2. BOB: If you are interested in contacting him, will call Subject to make suitable arrangements. 3. Traces: Forwarded under separate cover as Attachment A for BOB only are copies of threate received on Subject: ERMA-25261, 17 Pebruary 1958, CDOPAL dated 5 March 1958, and ESFW-6515, 19 March 1958.
