3. FRITSEN. The following points came up:

- c. After noting that this was very interesting and that the LENA case indeed had its peculiar aspects, [] said that there was still another ~~xxx~~ operations handled by FRITSEN which was equally peculiar. and mentioned the WJNUTLET case. [] specifically commented on the rather weird fact that the KGB had, via WJNUTLET, ostensibly put through a query on [] BERNHARDT said he is only vaguely aware of the WJNUTLET case and that he most certainly would look into it in greater detail.
