

CADROIT CONTACT REPORT

21 June 56

Date, Time, and Place of Meeting: 20 June 56, 1645-1655, pre-arranged street corner

Present: a. b. CARBOHYDRATE

This was a very short meeting, the purpose of which was to deliver to CARBOHYDRATE various English language letters directed to the Nevada court and CARGARANA 2's Nevada lawyer in connection with her divorce action against CARGARANA, which the GO had previously agreed to prepare. This work is being kept to a minimum, since it does not deal with CADROIT activities directly. What has to be done is being done, however, since the matter has a direct bearing upon our current efforts to move in on CADROIT for KUTUBE purposes. Since CARBO recruited CARGARANA for CART, he is personally concerned with the fate of the imprisoned former agent, and assumes that we are too. The GO is giving whatever aid and advice he can, in order to avoid the impression within CADROIT that our interest in a source we attempt to exploit vanishes when his KUTUBE potential vanishes, without regard to the asset's fate or CADROIT's reputation.
