History Staff Bi-Weekly

We handled several outside requests during this interval. [redacted] CRD, came in to request the Office of Finance History. After pinpointing her interest -- related to an FOIA request for records of financial payments [redacted] in 1948-49 -- I located two pages bearing on that topic and provided her with a copy of them.

[redacted] serviced one more request for a photograph from the PPD collection. There has been no progress in the mutual efforts of our two offices to get the collection transferred back.

We also received a query from OGC as to whether we wanted their collection of materials related to the abortive 1979-1981 effort to draft a new intelligence charter. Our suggestion that OGC keep these materials and send them to Records Center under their own account appears to have been accepted.

Ken closed out his recruitment project, returning all materials and writing rejection letters. He also handled correspondence related to a new Center of Military History request for one of their historians to have access to CIA material at the Johnson Library.
