Dear [Redacted]

As we discussed in our telephone conversation today, I am enclosing the completed form for the new edition of the SHFG's Directory of Federal Historical Programs and Activities. I am sorry that regulations do not permit me to list the History Staff's personnel on this form, or to complete the grade and OPM series form for the directory's survey.

The directory is a very useful publication, and it is good of you to undertake the work of revising it.

With all good wishes,

Yours sincerely,
