February 1950

This Preliminary Gazetteer for Egypt is issued in one volume as part of the National Intelligence Survey program and lists official standard names approved by the United States Board on Geographic Names. These names supersede all previous decisions on geographic names in this area.

This Gazetteer is issued on a preliminary basis to expedite availability of this work material for use in the preparation of the National Intelligence Surveys. It is contemplated that major additions and revisions will be published in supplemental volumes and that subsequently the material will be consolidated and published as a standard component of the National Intelligence Survey for Egypt.

Distribution of this publication is made by the Central Intelligence Agency. This document carries a RESTRICTED classification but individual names thereof are unclassified.

Reporting of errors

It is requested that all who use this gazetteer aid in its correction for subsequent printings by reporting errors to the Board on Geographic Names, Interior Department Building, Washington 25, D. C. A statement of the source of the correct information will be helpful.

Other gazetteers

The following gazetteers may be useful as finding lists, though the names in them are not approved by the Board as standard names:

1. *Index to Place Names Appearing on the Normal 1:100,000 Scale Map Series of Egypt*, Survey of Egypt, Cairo, 1932. "The index [of 14,166 names] gives the name of every town, village, and 'ezba [hamlet] in the Nile Valley and Delta of Egypt, appearing on the 1/100,000 series, the markaz [district] the mudiriya [province] and the number of the sheet in which it falls, and its two co-ordinates."
2. *Index to Place Names Appearing on the 1:500,000 Scale Map of Egypt*, Survey of Egypt, Cairo, 1945.
