Washington, D. C.

December 1950

This Preliminary Gazetteer for Ireland is issued in one volume as part of the National Intelligence Survey program and lists official standard names approved by the United States Board on Geographic Names. These names supersede all previous decisions on geographic names in this area. For features lying within adjacent areas, refer to appropriate Gazetteer.

This Gazetteer is issued on a preliminary basis to expedite availability of this work material for use in the preparation of the National Intelligence Surveys. It is contemplated that major additions and revisions will be published in supplemental volumes and that subsequently the material will be consolidated and published as a standard component of the National Intelligence Survey for Ireland.

Distribution of this publication is made by the Central Intelligence Agency. This document carries a RESTRICTED classification but individual names thereof are unclassified.

Reporting of errors

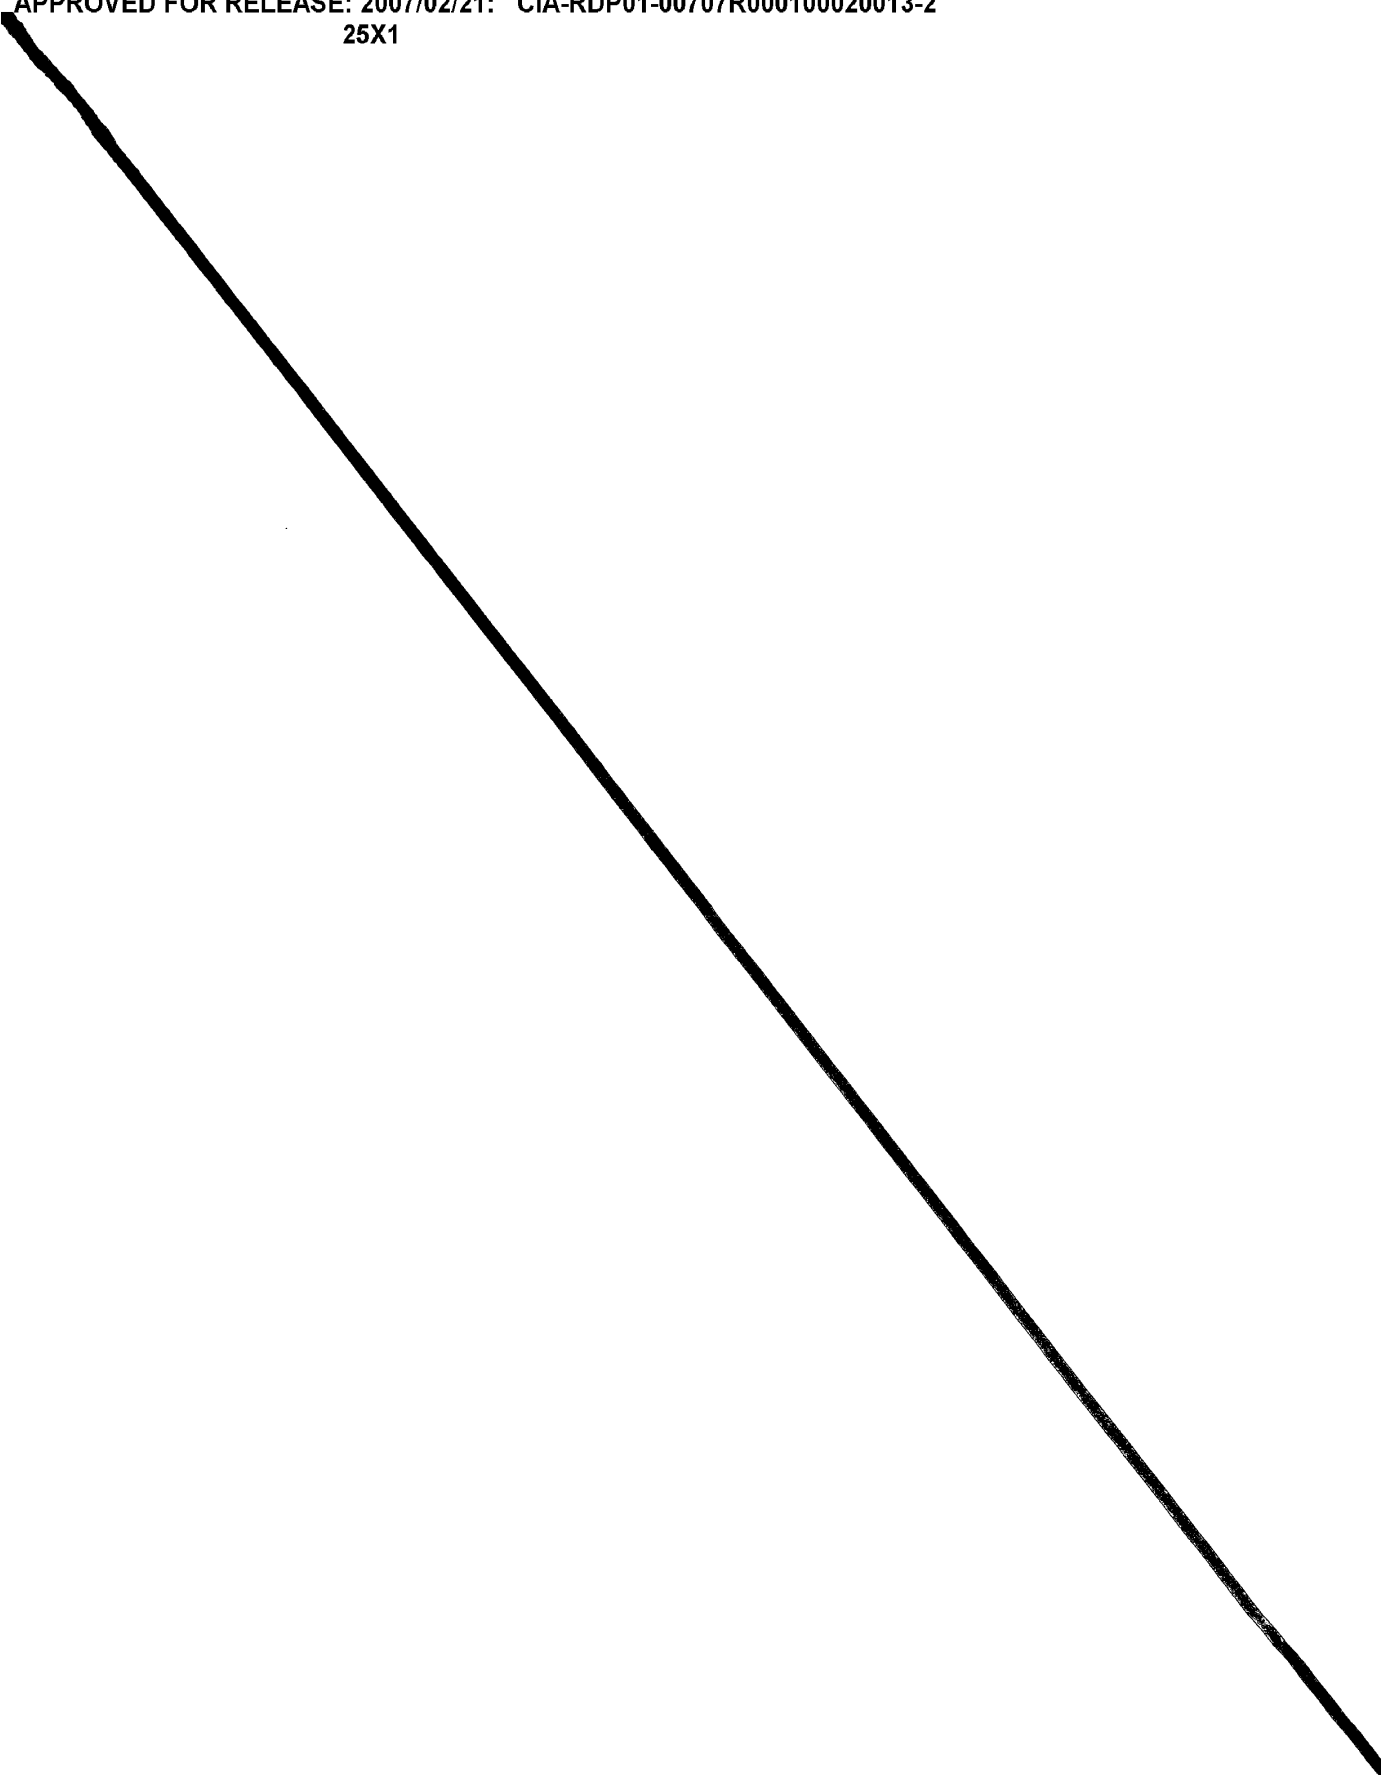

It is requested that all who use this gazetteer aid in its correction for subsequent printings by reporting errors to the Board on Geographic Names, Interior Department Building, Washington 25, D. C. A statement of the source of the correct information will be helpful.

Other gazetteers

The following publications may be useful as finding lists, though the names in them are not approved by the Board as standard names:

1. John Bartholomew, *The Survey Gazetteer of the British Isles: Including Summary of 1931 Census and Reference Atlas*, John Bartholomew and Son, Ltd., Edinburgh, 9th ed., 1943; 748 pp.
2. *Gazetteer of Ireland*, [British War Office, after 1940], 41 pp. A list of names, with county and grid location, keyed to four GSGS series: 4127, 4136, 4142, and 4338.
3. [Set of lists of "townlands," one list for each of 16 counties], Ordnance Survey of Ireland, Southampton, 1910-15. Places are located by number of sheet of 6-inch map and number of 1:2,500 town plan on which they appear.
