Washington, D. C.

November 1951

This Preliminary Gazetteer for Ceylon is issued in one volume as part of the National Intelligence Survey program and lists official standard names approved by the United States Board on Geographic Names. These names supersede all previous decisions on geographic names in this area. For features lying within adjacent areas, refer to appropriate Gazetteer.

This Gazetteer is issued on a preliminary basis to expedite availability of this work material for use in the preparation of the National Intelligence Surveys. It is contemplated that major additions and revisions will be published in supplemental volumes and that subsequently the material will be consolidated and published as a standard component of the National Intelligence Survey for Ceylon.

Distribution of this publication is made by the Central Intelligence Agency. This document carries a RESTRICTED classification but individual names thereof are unclassified.

Interpretation of entries

It has been necessary to express in code numbers and letters some of the information regarding places and features listed in the gazetteer in order to accommodate it to the machine method of tabulation.

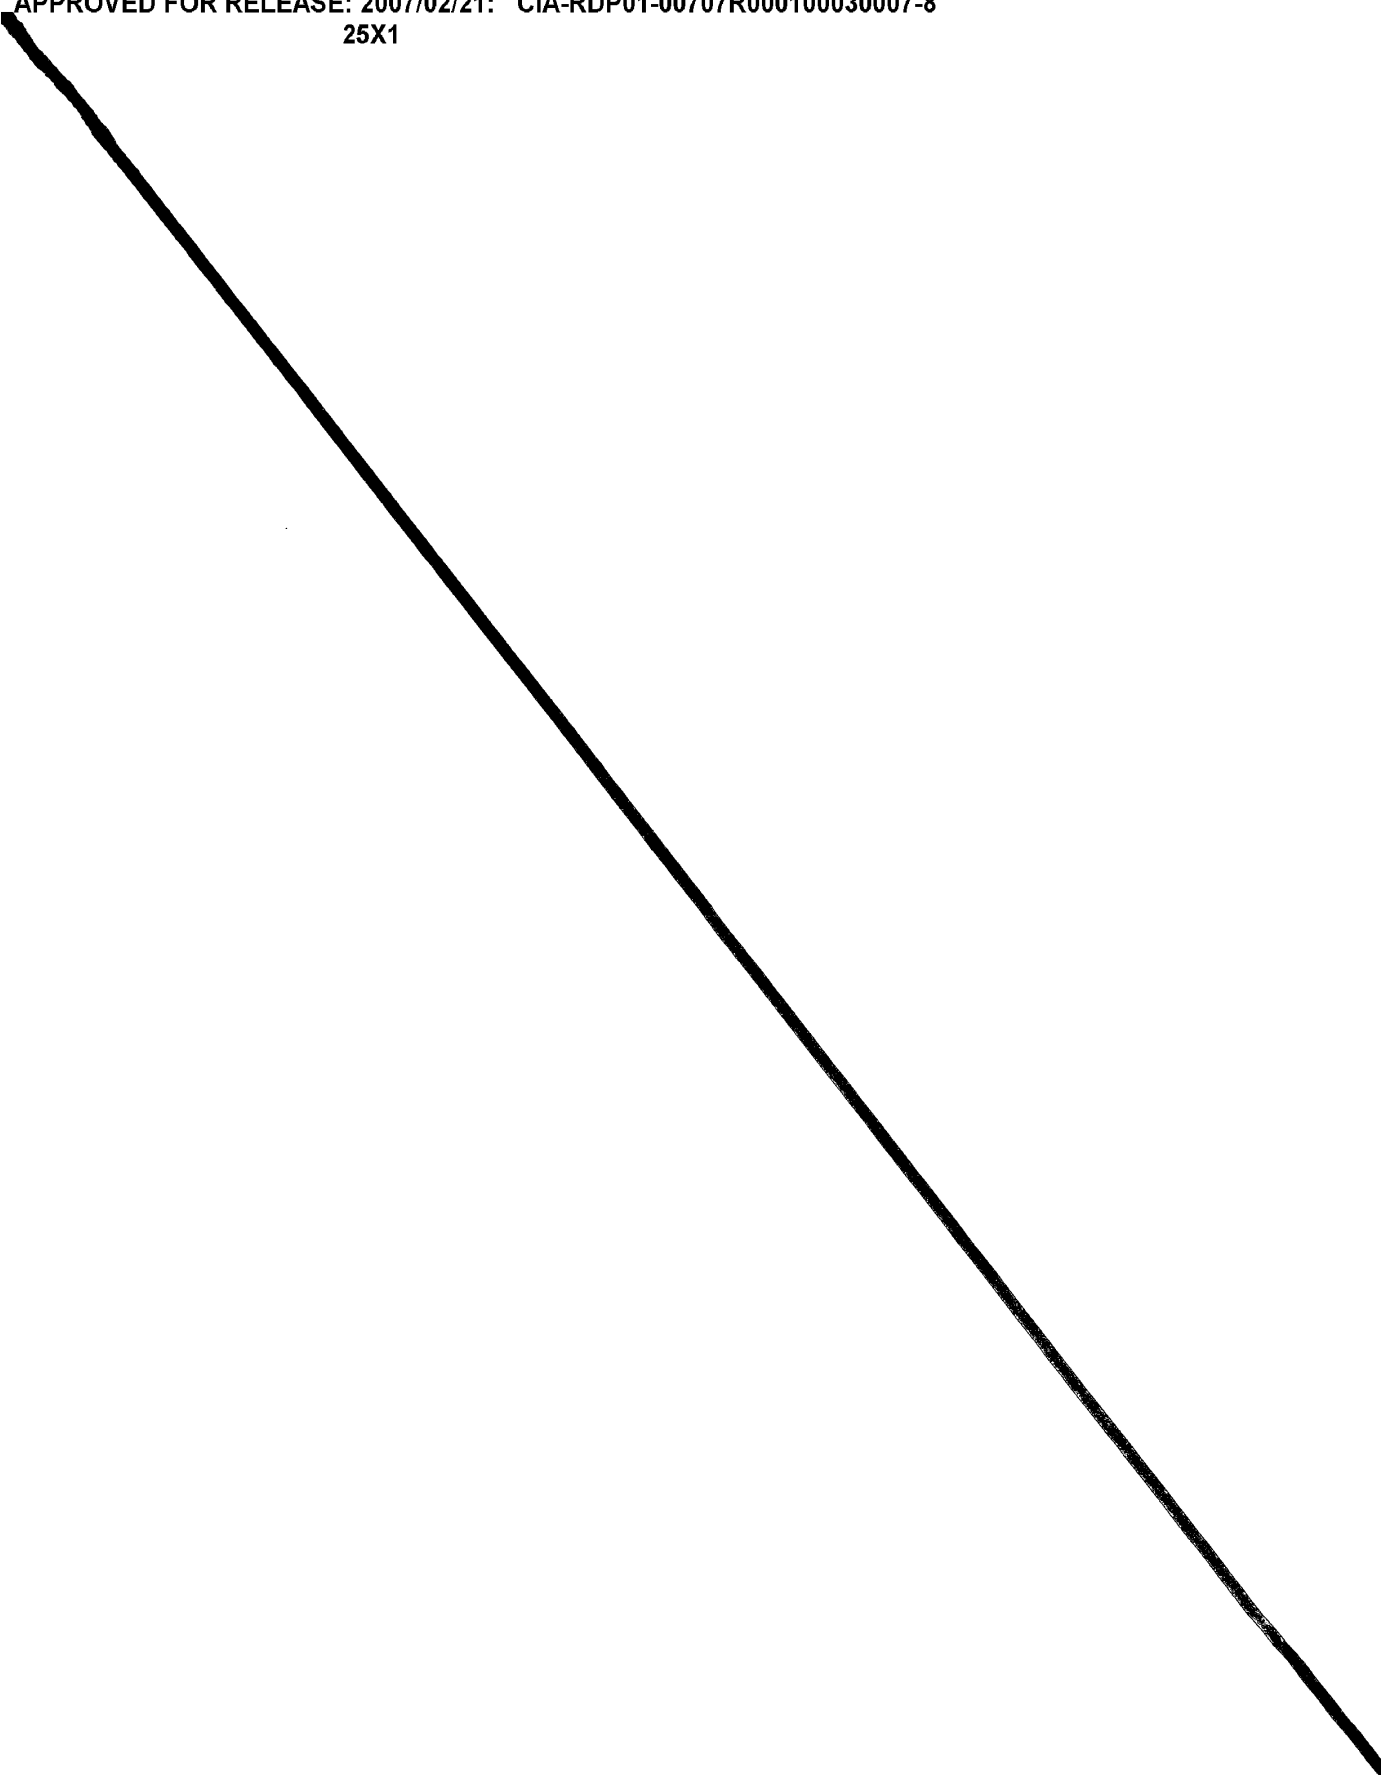

Name.--Standard names and cross-references from variant names appear in the first column. Where part of a name is underlined, the use of the nonunderlined part is optional.

Designation.--Designations in the second column are sometimes abbreviated and represent groups of features, as follows:

ADMD	administrative division	PLN	plain
BAY	bay, inlet	POPL	populated place
CNAL	canal	PROV	province
DIST	district	PT	point
DOM	dominion	REEF	reef(s)
FALL	waterfall	ROCK	rock(s)
ISL	island, islet	RSTA	railroad station, rail-road stop
LAGN	lagoon	RSVR	reservoir
LAKE	lake(s)	SHOL	shoal(s), submerged ridge
LBED	lake bed	SITE	ancient site, ruins
MOLE	mole, jetty	STR	strait
MRSH	marsh(es)	STRM	stream
MT	mountain		

Latitude and longitude.--Coordinates (third and fourth columns) are for finding purposes only. They were read to the nearest minute.
