September 4, 1978

Dear Admiral Turner,

I would like to express my appreciation for the most commendable recommendation you forwarded on my behalf to support my application for an appointment to the United States Naval Academy. It is my desire to attend the Academy with the class of '83, and if I obtain an appointment, I will endeavor to live up to your expectations and fine recommendation. Thank you so very much.

Yours sincerely,

NANCY C. ANDREWS

Admiral Stansfield Turner, USN
Director, Central Intelligence Agency
