Dear Don,

A letter of thanks for a job well done. I'm sorry we weren't able to see you, but rest assured your staff was superb in your absence. Bob Phelps, Lynne Gould and Barbara Oakley were tremendous, the food was delicious, and we had a wonderful time seeing old friends.

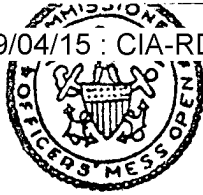

Thanks again, and all the best.

Yours,

STANSFIELD TURNER

Admiral Stansfield Turner
Director
C.I.A.
Washington, D.C. 20505

Dear Admiral Turner:

First of all belated congratulations on your new position as Head of the C.I.A. Captain Hugh Nott mentioned the other day that they had dinner with you one evening and that you have settled into your new position.

We look forward to serving your brunch at the Club on May 22. Unfortunately I will be at a Military Club Manager's Seminar in Chicago and will not be here to greet you. Bob Phelps, our Operations Manager, will be on hand to welcome you and to see that your guests are well served.

You will find many changes in Newport (and at the Club). As you know, the Closed Messes went out of business last October. As a result the Main Club now serves some 19 meals a week which represents quite a change from the 6 meals a week to which we were reduced when Crudeslant left Newport. I am enclosing a copy of our monthly newsletter for your convenience.

Best regards,

DON BOOTH
