Dear Karl:

Thank you for your letter of 6 September. I very much appreciate your invitation to address your fall meeting in Phoenix in November. Unfortunately, due to an already overflowing schedule I am again forced to regret.

I would, however, ask to be reconsidered for your spring meeting in Williamsburg. I will do my best to hold those dates, but obviously events could take over again and force another deferral.

2. SCHEDULE: In any case, let's keep trying.

11-14 November 1977
Yours,

/s/ Stansfield Turner

Dear Stan:

You will recall my letter of last March 31 in which I invited you to address AIA's annual spring conference in Williamsburg, Virginia in mid-May. Unfortunately you were unable to accept our invitation.

I would now like to invite you to address our fall meeting which will be held in Phoenix, Arizona on November 17-19, 1977. We can make available almost any hour that would be convenient for you during those three days.

As I said in my March 31 letter, we believe this conference can provide you a unique opportunity to acquaint the chief executives of the aerospace industry with the Carter Administration's outlook on key international issues. This subject, especially foreign policy as it relates to defense activities of our and other nations, is especially significant to the leaders of the firms which set the pace for weapons technology development. The attendees at the meeting will be the chief executive officers of the 47 companies who are at a forefront of weapon, space, and related high technology.

A list of the individuals who attended our spring meeting is attached to give you a feel for the type of audience you could expect in Phoenix.

In past years this Association has been honored by appearances at its annual spring conference by individuals such as one of your predecessors, Alan Dulles, numerous Cabinet officers, and two Vice Presidents of the United States. We hope that it will be possible for you to break away from your busy tasks to join us in Phoenix. Should that not be possible, I can assure you that we will ask you again for our spring meeting in Williamsburg, Virginia, to be held May 24-26, 1978.

I look forward hearing from you.

Yours very truly,

Karl
