OFFICE OF THE PROVOST AND ACADEMIC DEAN

17 February 1978

Admiral Stansfield Turner, USN  
Director  
Central Intelligence Agency  
Washington, D. C.

Dear Stan:

I very much enjoyed your remarks to our student body during your recent visit to Monterey. As I am sure you were aware, they were extremely well received by both the student body and faculty.

As per our discussion, we would very much like to have you talk with our C<sup>3</sup> and Intelligence faculty groups about their programs during your next visit to Monterey. I believe we would benefit greatly by interchanging ideas with you.

Best personal regards.

Sincerely,
