ADMIRAL STANSFIELD TURNER

23 February 1978

Dear George,

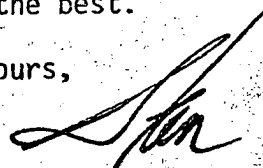

Thanks so much for your note and enclosed clipping. As always, I appreciate your continued support.

It was great to see you and Jane. It was so nice of you to have Jane and Roy over also. I think I enjoyed the talk at Stanford as much as any I have given, simply because it was something of a new experience. Despite the noisy ones, they were a good group and their questions were certainly reasonable.

We're looking at our summer plans now and hope that we may be able to stop by a few days before Association on the 13th of August. It's still a little too far to tell, but we will keep in touch and hope to see you if that's the case.

Again, many thanks and all the best.

Yours,

STANSFIELD TURNER

Mr. George A. Andrews, Jr.

*Dear Pat and Stan:*

*I thought you might add to your file (Circular or otherwise) the Palo Alto Times report on Stan's Stanford appearance last Monday. It was a wonderful lesson to me on*

how to keep ones "cool" in the  
face of some ill-mannered  
young people who, I think,  
assume a posture unwarranted  
by their experience or achievements.

It was really great  
having the visit with  
you. We hope you'll come  
often. Jane joins me in sending  
our best.
