26 MIG 23

The Soviet Union appears to be upgrading Cuba's air force by sending it advance over the Mig 21 sent to count grading Cuba's air force by sending it advance over the Mig 21 sent to count grading Cuba's air force by sending it.

The preliminary indications reported by U.S. intelligence suggest that 18 to 20 aircraft have arrived in Cuba, some in crates and the other as Sembled of the planes spotted so far are not equipped to handle nuclear weapons, oficials said, but may, be able to perform as conventional bombers as well

as dogfighters for aerial combit.... Within the Pentagon hierarchy there was concern, but not alarm; about the shipment, according to of

time, Pentagon officials said yesterday. Fig. The South to W.S. fighter as the F15. The Soviet Union sent Egypt some Mig: 23s before relations he tween the countries cooled

The Soviets have been supplying Cuba with a wide array of modern armament, some of which has been used by Cuban troops in Africa (1977) U.S. intelligence officials apparent

ly tracked the freighters laden with crates containing the Mig 23s, and confirmed their suspicions when they saw the planes flying over Cuba. It was not certain whether they had Cuban or Soviet pilots.

EXDIS

EO 11652: XGDS-1
TAGS: MILI EAIR CU UR
SUBJ: MIG-25'S FOR CUBA, BUT NO MORE MIG-23'S

1. CUBAN MINISTER OF TRANSPORT LUSSON (STRICTLY PROTECT) TOLD USINT OFFICER, AT ALGERIAN NATIONAL DAY RECEPTION, NOVEMBER 1, THAT NO FURTHER MIG-23 AIRCRAFT WOULD BE DELIVERED TO CUBA. (FYI ITALIAN EMBASSY CLARIEFIED, NOVEMBER 1, THAT THEIR CUBAN CONTACT HAS INDICATED THAT THERE ARE "ALMOST 20", NOT 20, MIG-23'S IN CUBA. END FYI) (COMMENT: ABSENCE OF FURTHER DELIVERY OF MIG-23'S IS SIGNIFICANT NOT ONLY QUANTITATIVELY, BUT ALSO QUALITATIVE-IF, AS DOD AS STATED, MIG-23'S NOW HERE DO NOT APPEAR TO BE NUCLEAR-CAPABLE.)

2. LUSSON ADDED, HOWEVER, THAT MIG-25 (FOXBAT) AIRCRAFT WOULD SOON BE ARRIVING FOR CUBANS. HE DECLINED, IN REPLY TO A QUESTION, TO SPECIFY HOW MANY MIG-25'S WOULD BE COMING, STATING ONLY THAT THERE WOULD BE "A SUFFICIENT NUMBER" ("UNA CANTIDAD SUFICIENTE". LUSSON DID NOT SPECIFY WHETHER THE MIG-25'S WOULD BE INTERCEPT OR RECONNAISSANCE VERSIONS.

PAGE 002 TOR: 030313Z NOV 78

NC 1511104

3. WITH REGARD TO RECENTLY ARRIVED AN-26 TRANSPORT AIRCRAFT, LUSSON SAID THESE AIRCRAFT WOULD BE USED TO DOMESTIC CARGO OPERATIONS-THOUGH THE PUSSIBILITY EXISTS TO CONVERT THEM TO CARRY 35-40 PASSENGERS. (FYI AT LEAST THREE OF THE AN-26'S APPEAR TO BE LOCATED AT SOUTHWEST END OF CIDUAD LIBERTAD AIRPORT. END FYI)

4. FYI FRENCH EMBASSY COUNSELOR AZAIS WAS PRESENT WHEN LUSSON MADE ABOVE COMMENTS. END FYI. COMMENT: LUSSON'S OPEN DISCUSSION OF CUBAN MILITARY AIRCRAFT PROCUREMENT IS EXTRAORDINARY. WE PRESUME THAT CUBANS MAY WISH TO LIMIT US ANXIETY OVER CHARACTER OF NEW AIRCRAFT DEPLOYMENTS-AND THAT LUSSON'S REMARKS MAY HAVE BEEN INTENDED TO CONVEY A MESSAGE. SHIFT OF ACQUISITIONS TOWARD FOXBATS, IF ACCURATE,—WHILE INTRODUCING ANOTHER NEW HIGH-PERFORMANCE AIRCRAFT IN US PROSIMITY-WOULD AT LEAST LESSEN POSSIBILITY THAT CUBANS ARE SEEKING TO DEVELOP MORE SIGNIFICANT GROUND ATTACK OR LONG-DISTANCE STRIKE CAPACITY AGAINST US.

END OF MESSAGE
