OCA 2123-90

STAT
MEMORANDUM FOR: [REDACTED]

Office of Congressional Affairs

STAT
FROM: [REDACTED]

Deputy Chief, Recruitment Operations Division

STAT
SUBJECT: [REDACTED]

STAT
1. Could/would you prepare a letter to Congressman Visclosky? This is an on again-off again case, and the answer is we do not have any suitable vacancy for [REDACTED]

STAT
2. He has been advised of this over the years, as have the several Congressmen who have inquired on his behalf. Our [REDACTED] office has talked with both [REDACTED] and the Congressman's staff.

STAT
3. A Mr. Al Armento of Congressman Visclosky's office called here on his last day on the job last week complaining of inaction on our part. I talked with Mr. Larry Dickey (Armento's replacement) today, 9 July, and told him our OCA would be writing. He said fine, so I hope this will close this one. Thanks.
