OSA - 1400-1600, 18 April 69

MEMORANDUM FOR: See Distribution List

SUBJECT: Orientation of DDCI-Designate

There is attached a plan of briefings and visits to offices and work areas for Lt. Gen. Cushman upon his arrival on duty which is now expected on or about 15 April.

In order to make the time as profitable as possible for Gen. Cushman, the sessions should be informal and fairly small. I would like to emphasize that the schedule is tentative, since re-scheduling is almost certain to occur as the briefings proceed, and it may be revised when Gen. Cushman has had an opportunity to look it over.

After Gen. Cushman has reported, the schedule will be firmed up. Questions regarding the schedule should be referred to [redacted] (ext. 7805, red 1071).
