MEMORANDUM FOR THE RECORD

SUBJECT : PROJECT RAINBOW
(Transportation/Rainbow materials)

1. On 8 August 1957, the Security Officer, [REDACTED] requested that the following procedure be followed in respect to the couriership of Rainbow materials from [REDACTED] to Los Angeles.

2. Couriers should be briefed prior to leaving Project Headquarters that if it is impossible for [REDACTED] to meet them upon arrival an alternate is authorized to receive the materials. This alternate will identify himself with a green printed Lockheed card, laminated and bearing both a photograph and a red "X" stamped across the face of the printing. The bearers of this card are all cleared through Rainbow "B".
