MEMORANDUM FOR: Project Security Officer

25X1A5a1
SUBJECT :

07

25X1A5a1
I am most anxious to have the above man, a Lockheed employee, cleared for the RAINBOW Program. I am informed by Kelly Johnson that he has been working on the [REDACTED] Project and in this capacity has been Agency cleared. I am also told that, as he was the Project Officer for that undertaking, he was made witting of AQUATONE. If your records reflect these facts, I assume that you will be able to give me a quick reply. If you do not have a record of these clearances, would you let me know his status right away.
