**REMARKS:** In accordance with our discussion on the Progress Report, I am attaching the excerpt from my portion of the report relating to Reproduction. I think perhaps some redrafting of this to fit in with other progress described in the report being written by [REDACTED] could be accomplished. It is suggested that this be turned over to [REDACTED] as originally written for editing.

I have discussed these five points with [redacted], the final author of the paper. He feels that if we can integrate your points into the text in such a way that they will support the whole paper - OK. If not, then he says not to mention them.

Bob.
