# Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Director of Training (G)

FROM : Chief, Area and Language Division

SUBJECT: Progress Report for Week of 3 July - 9 July

DATE: 9 July 1953

1. Seven applications for full-time participation in the one week conference at SAIS have been received from ONE. OCD expects to submit approximately 18-20 requests, DDP approximately 15-20, OSI at least 15 and several from OCI. Indication is that our quota of 65 will be filled.
2. OCI has indicated an interest in the part-time Near East Area Seminar to be held at the Foreign Service Institute in October. Conversations with Bill Sandalls, FSI reveal that Agency employees probably will be permitted to attend such courses. Mr. Sandalls will send the schedule of courses as soon as it is available.
3. Security-training briefings were held for the CIA candidates selected to attend the Associate Intelligence Course, Air Command and Staff School, the Weapons Orientation Course at Sandia Base, Naval War College, and the Weapons Orientation Course, Maxwell Field.
4. A total of 163 students are presently enrolled in introductory and self-study courses in the Language Training Branch.
5. The language laboratory was used 421½ hours during the past week.
6. One section of instruction in Basic Chinese (Mandarin) began on Monday, 6 July, with an enrollment of four students.
7. The mobile audio-visual unit was demonstrated on Tuesday, 7 July, for the benefit of the Deputy Director of Training (Special) and interested parties from the DD/P offices.
