MEMORANDUM FOR: Staff and Division Personnel, DD/P

SUBJECT: Long Term Schedule of CS Courses

1. The attached schedule of training courses is a revision of, and supersedes, that issued under date of 16 April 1954. The dates on the chart refer to Mondays of each training week; for a specific course the weeks during which training will be conducted is indicated by an "x" in the appropriate column.

2. Principal changes are:

a. Elimination of the overlapping of Phases II and III. This should permit more orderly release of desk personnel for requisite training in these courses;

b. Rescheduling of certain specialized courses to more nearly approximate current requirements;

c. Establishment of a two-weeks advanced counterespionage course (ACE) and an increase in the scheduled offering of a basic CE course (now two weeks long instead of three weeks).

3. Announcement of the new [redacted] courses (or other new courses), or major changes in the program of existing training courses will be made by individual memoranda.

4. Any inquiry regarding the attached schedule should be addressed through established channels to the OTR Registrar, Room 17, Building [redacted] extensions 2449 or 3026.
