MEMORANDUM FOR: OSO STAFF AND FOREIGN DIVISION CHIEFS

SUBJECT : Air Resupply and Communications (ARC) Wings

1. There is attached a summary of information regarding the ARC Wings and their possible use by OSO, for the benefit of all OSO officers concerned.

2. It is the policy of OSO to utilize ARC Wing facilities to the maximum possible extent consistent with security and the mission of OSO.

3. All Staffs and Divisions are requested to review and analyze the peacetime capabilities of these ARC Wings so that OSO may be in a position to develop its operational and security requirements on each Wing as they develop operational potential in each geographic area.

4. It is requested that these requirements be transmitted to PLANS Staff, analyzed on a monthly basis for the first six months of 1952, as soon as practicable.

5. Since the ARC Wings are in a developmental stage, some of the attached information is subject to change. All pertinent changes will be made available to Staffs and Divisions. Additional information and data may be secured from PLANS Staff.
