Dear Mr. Houston,

Thank you very much for your letter of November 6th. My stay in Washington was limited to two days, but I did enjoy the opportunity of meeting you and also talking with Col. White and Mr. Frank Wisner.

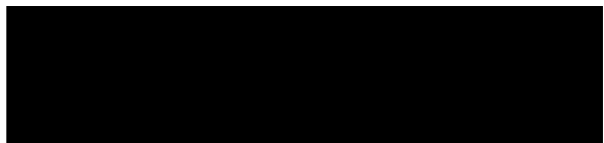

25X1A

 gave me the usual printed forms to fill out. I am trying to expedite these and will file them with him as soon as possible, after which I suppose these matters go through the usual channels.

I have no present plans to be in Washington. If you do come up to New York, please get in touch with me, if possible a little in advance, but you might make the try anyway.

Very truly yours,

25X1A
