Dear [REDACTED]

I want to thank you for the time extended to me during my visit to your offices last Wednesday. The Real Estate situation was definitely not of interest to me, but my interest does continue in the General Counsel's office.

STATOTHR

My boss here in Pittsburgh, [REDACTED], knows of my interest in the Counsel's office and of my visit to that office last Wednesday to discuss possibilities. The visit had and has his approval.

Should you want or need additional data about me, I am available at your convenience. My very best personal regards.

Sincerely,
