Office of General Counsel

Legal Panel No. 68601

1. This is in reply to your memorandum of 4 June 1952 providing us with the names of two candidates for use on the general legal panel. This was in response to our memorandum of 20 February 1952.

2. We should like to return these names for possible future reference but at the present time we do not believe that either person is completely adequate for our requirements. We shall be very interested in the names which we indicate may be expected in the future and appreciate your screening of additional candidates. We will, of course, notify you immediately if any of these persons possess the requisite experience and background for our work.
