

WASHINGTON POST AND TIMES HERALD  
5 November 1955

ARTICLE, "Langley CIA Site Asked by Dulles"

22 November 1955

EDITORIAL, "The View From CIA"

**COMMENT:**

1. The omission of the word "most" in the 5 November 1955 article gives an inaccurate impression.
2. Five key criteria are listed at page 5 of the Clarke and Rapuano Report. Of these, one of the most important was the traffic situation, to which the Report devoted considerable attention.
