SECTION II

COMMENTS (From Original Addressee)

TO : LEGISLATIVE COUNSEL
OFFICE OF GENERAL COUNSEL

FROM: Office of Logistics

H. Res. 79 authorizes and directs a special committee to conduct a full and complete investigation and study of the use of facilities and manpower by the Department of Defense and other Departments and Agencies of the Government. From a security viewpoint, it is the opinion of this office that the classified facilities of the Agency should not be included in such an investigation and study. Further, to permit such an investigation and study would be a departure from the policy and practice heretofore followed by the Agency. Therefore, it is requested that action be taken to exempt the classified facilities of the Agency from this Resolution.
