sub: "Loss of Funds (\$129.18) - Case of  
[redacted]"

1. After a review of the facts in this case, I have determined that the loss arose from the use of Agency facilities and that it would be inadvisable from a security standpoint to open such facilities to an investigation, which would be required if the case were processed in accordance with standard General Accounting Office procedures.

2. Under the authority contained in Regulation No. [redacted] paragraph 9.a., you are directed to use \$129.18 of unvouchered funds to close the vouchered advance account of [redacted]
