MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT : Bonus Payments to FOE Indigenous Personnel

1. It is requested that payment of bonuses to indigenous personnel used by the [REDACTED] be stopped. The principles set forth in CFR 14.15 are believed to be sound and applicable to this situation.

2. I can see no objection to allowing these individuals to work and get paid overtime in order to avoid a net pay cut for a temporary period while qualified replacements are being obtained. I do not believe it is appropriate to continue indefinitely a practice which we recognize as inequitable and which clearly sets us apart from other U. S. Government agencies.
