

SUPPLEMENT TO DRIVERS STATEMENT  
RE ACCIDENT \*

I was stopped at 3rd and N. Y. Avenue waiting for the light to change, as it changed to green I started across and proceeded slowly into the intersection and was struck on the left side of my truck by [REDACTED] who said that his brakes wouldn't hold and he was at fault in the presence of the investigating Police Officers.

FOIAb6

He was being pushed by the third car which did not stop and went on his way.

I never did see the third car or its driver nor was he seen by the Police Officers.
