MEMORANDUM FOR: Chief, [REDACTED]

Attn: Personnel Section

SUBJECT : Personnel Section of Far East Division T/O

The proposed revised T/O structure for the FE Division attached to your memorandum of 23 October 1953 has been examined. Although the number of positions concerned with personnel administration does not appear excessive, only preliminary concurrences are possible at this time pending (1) completion of the O & M Task Force survey scheduled for the latter part of this week, (2) the implications of possible changes in Career Board Support which may affect the Headquarters Personnel Section T/O, and (3) classification review of the entire FE T/O at the time it is submitted for final approval.
