Transportation to Vital Storage Site

1. Operations of the Map Library Division at Vital Storage site require a weekly trip to this site for purposes of maintenance of materials located there. Because of the complication which this causes the normal transportation facilities provided by [redacted] 25X1A9a it has been decided to utilize the services of [redacted] 25X1A9a Collection Section, D/GL, for the purpose of chauffering. The Badge No. of [redacted] is B-508. 25X1A9a

25X1A9a

2. It is requested that arrangements be made so that [redacted] is authorized to secure an agency vehicle for these weekly trips upon appropriate advance notification.
