25 YEAR RE-REVIEW

SECRET

These problems were copied from a draft study outline [] 25X1

 to [] for his information. The problems, you can readily imagine,
 led to questions by [] which your OTR representatives did not
 feel free to discuss. [] was anything but satisfied with our
 response. After the meeting he cornered [] in the hall. It 25X1
 turned out [] has served with DD/P [] and attended an Ops 25X1
 Course where [] was an instructor. [] the type 25X1

 helpful to him. Miss [] office is preparing a detailed report

 the meeting, as well as the fact the former and []
 Chief, [], are old friends, having known
 each other two years as officers in America's first parachute battalion.
 Mr. [] stated that he would welcome the opportunity to serve
 as the focal point of your Staff in OTR relations with the Special Service
 Forces if you so desire.

3. JOT Program

Incident to Mr. [] attendance at the Effective Speaking
 Course, he gave a talk on the JOT Program. As a result, a fellow student,
 Mr. [], Deputy Chief, Audio Support Division, TSS (extension
 []) asked how his Division could recommend indi-
 viduals for inclusion in the JOT Program. It seems TSS Audio Support
 has already interviewed eight or ten young men graduating this June
 whom they would like to hire but lack the slots to do this. [] 25X1
 believes some, if not all, of these men possess the qualifications to
 be IOT's. PPS called [] and arranged for him to talk with 25X1
 [] relative to forwarding the personnel files in question to
 C/JOTP for screening.

4. OTR Tour

[], Records Integration Division, has advised Mr. [] 25X1
 [] he would be interested in a tour as an instructor with OTR. PPS
