A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

1. Draft Program of Area Training and Research has been completed and sent to DTR.

2. USIA (LeRoy Benoit) has asked us to help grade some written tests of VOA staff in Serbo-Croatian that, for reasons of objectivity, USIA cannot give to qualified staff at FSI. The task is not great and we have agreed, with taking the responsibility. He is being assisted by of TSS who formerly ably taught an area course for LAS.

3. An informal dinner meeting of the other half of the men of the LAS faculty (staff and contract) who did not attend the last meeting is planned to be held at the home of C/LAS on Wednesday, 18 November. This group will be entirely language faculty. It is hoped that DTR, DDTR and C/PPS will be able to drop in for the first part of the evening. Meeting will begin at 5:30 and break up before 10 p.m.
