A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

1. We have agreed to let [redacted] work on a special project for FE for about 6 hours a day for 2-3 weeks, on assurances from them that the work is urgent and only [redacted] possesses the required competence. This arrangement is a compromise of FE's request for full-time, and will permit his continued supervision of the several courses under his direction.

2. C/IAS has been occupied mainly with participation in the new course, as student -- the most exciting experience he has had in a long time. Already the possibility of several potential outgrowths of this course are evident, in addition to development of the primary course.
