Weekly Activities Report #22

**A. COMPLETED PROJECTS****1. Lesson Plan for Strategic Intelligence School**

Clearance has been obtained from CI Staff, SR Division, and FI Staff for the release of a reserve officer lesson plan entitled "Soviet Positive Intelligence" for use by the Strategic Intelligence School. [redacted] Chief, Department of General Intelligence, SIS, was notified that this clearance had finally come through and that a revised and up-dated copy of this document would be made available to him. It was also indicated that if he desired to use this document for student purposes, sufficient copies would be provided at a subsequent time.

**2. Objectives for the IOT Program**

Detailed objectives have been submitted from each of the following School Chiefs for the IOT Program: Ops School, School of International Communism, and Intelligence School. These will be in your hands for discussion at the staff meeting Friday morning.

**B. PROJECTS IN PROCESS****1. IOT Military Obligations**

Subsequent to my briefing you on the efforts of Colonel [redacted] MPD, regarding the IOT military obligations, I briefed N [redacted]. I also informed him that the MPD/OP could, on the basis of information received from the Adjutant General, Department of the Army, arrange for a deferment of six months active duty for ROTC graduates in order to afford

the JOT in this category the opportunity to complete his formal extended training in CIA prior to satisfying his military obligation. I also informed [ ] that the Air Force training staff was unwilling to reopen the question concerning the seven positions allocated to the Agency for each of the Air Force OCS classes. [ ] said that he was in the process of clarifying the military status of the JOT's now in the pipeline and would touch base with you before acting on the information I had given him concerning arrangements for deferral or arrangements for the enlistment of JOT's who are scheduled for the Air Force OCS.

**2. Reserve Officers' Active Duty Training** [ ]

In accordance with your advice, I have alerted Captain [ ] to Mr. Karamessines' interest in DD/I and DD/S reserve officers scheduled to take active duty training at [ ]. The next program is now scheduled for August 1958 and on or about 15 July I should have in hand the names of all officers scheduled for this duty. I will at that time take the matter up with Mr. Karamessines.

**3. Armed Forces Staff College Presentation**

[ ] submitted a proposed outline for his presentation at the Armed Forces Staff College on 16 June. I had previously asked him to clear this with [ ] and I learned that this had not been done, so I countered with a proposed revision of [ ]'s outline and submitted my comments to Mr. [ ] with a summary of the presentation to be made by [ ]. [ ] agreed to take the matter up with [ ] and help him develop a more appropriate approach to his subject.

**SUBJECT: Weekly Activities Report #22****4. Yearly FSO Orientation Program**

Arrangements for the Orientation Program are progressing satisfactorily despite the short time available to lay on the program. Most of the DD/P personnel solicited for guest speakers were anxious to cooperate. Mr. [ ] went so far as to rearrange his schedule to accommodate us. The only "reluctant dragon" was [ ], who, after two days of negotiations has finally consented to appear. The Department of State has added nine Department personnel who "need to know" to the list which now stands at twenty, although it is expected that three or four will not show up at the last minute.
