MEMORANDUM FOR THE CHIEF, LIAISON DIVISION, OCD

SUBJECT: Distribution of DCID 4/3 "Comprehensive National Intelligence Objectives," and DCID 4/4 "Priority National Intelligence Objectives"

1. Copies of subject directives will be produced in the usual format for inclusion in the "Intelligence Directives" loose-leaf books. In view of the probable demand, a somewhat larger number has been ordered for reserve stock. It will be appreciated if you will have this distribution made in the regular way.
2. Because of the importance of these documents and the anticipated wide demand for them, an additional 500 copies have been ordered in a different format. These will be bound in blue covers similar to the NIE's. They will be delivered to you by Reproduction in the near future.
3. Please make a regular NIE distribution of this special edition. In addition, as agreed in our recent conversation, please make supplementary distribution within CIA and among the IAC agencies to research and requirements activities on a need-to-know basis. This should include a sufficient number for broad use at the working-level.
4. Distribution to foreign governments is not authorized.

Assistant Secretary
