**MEMORANDUM FOR THE RECORD**

**TO :** Chief, Administrative Branch,DPD

25X1

**SUBJECT:** [redacted] - USAF - Recommendation for Individual Commendation Medal

25X1

1. [redacted] will have completed his tour of duty with DPD/ID/P on 11 May 1959. The recommendation is hereby made that his outstanding services to DPD be recognized by awarding him an Individual Commendation Medal.

25X1

2. [redacted] has served in DPD since late 1955 and he came aboard at a critical time in the history of Project AQUADONE. He provided the Project with sorely needed technical advice in the area of his specialty and he carried through into the areas of development, testing, manufacture and operational use of the complex systems developed, built, and used. Since that time his services have been invaluable in the planning and implementation of complex instrumentation for other projects of DPD.

3. This officer has rendered services which are considered above and beyond what would normally be expected, both as to quality and to devotion to the aims of DPD, and it is respectfully recommended that his outstanding services be recognized by awarding him the Individual Commendation Medal or other appropriate award.
