SUBJECT : Disposition of Property
Contract No. FL-3011

Gentlemen:

Reference is made to your letter dated May 27, 1959 wherein you propose an alternate method for packing the residual material. This will confirm our oral indication that the method proposed in paragraph 2 of your letter is acceptable.

You are correct that no more screening is required regarding the balance of the material and that it should be scrapped in accordance with your normal practice.

Very truly yours,

Contracting Officer
