Deputy Chief, Economic Research Area, ORR

7 August 1956

Chief, Industrial Division, ORR

Attendance at Professional Society Meetings, Fiscal Year 1957.

1. The following recommendations for attendance at Professional Society meetings during Fiscal Year 1957 are made in accordance with your request. It is proposed that those on List I should receive full Agency sponsorship including all costs. It is proposed that those on List II should be placed on a duty-status-without-reimbursement-for-travel (i.e., Administrative Leave).

2. The American Statistical Association meets in Detroit, Michigan in early September 1956 and it is suggested that a team of recruiters should be in attendance on behalf of the Economic Research Area, ORR. This Division does not wish to make any nominations for this meeting.

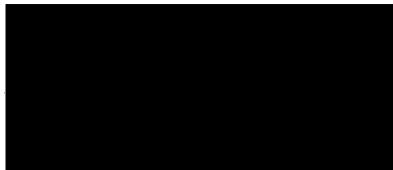

3. The names of Chief, D/I and Deputy Chief, D/I are not included in the group proposed for attendance at the meetings of the American Economic Association in Cleveland in December 1956. It is presumed that these two names will be considered for inclusion in the list drawn up by O/Ch/E for a recruiting team.
