Aid Recipient Countries

ICA herewith provides a revised list of all countries receiving technical, military, economic, or financial assistance within the terms of the Mutual Defense Assistance Control Act of 1951, Public Law 213. This revision replaces EDAC D-111 of February 23, 1956. Military assistance is interpreted to mean grant but not reimbursable assistance. Programs are in the process of being established in Argentina, Burma, Morocco, and Tunisia. If there are any questions of eligibility under the Battle Act, for assistance to any of the listed countries it would be appropriate to raise such questions or to make recommendations to the EDAC Chairman through the EC or a Working Group.
