MEMORANDUM FOR:

[REDACTED]

1. You will recall that not long ago we had a conference with [REDACTED] discussing some IPC questions. In particular, we were discussing the meaning of the caption on reports "in response to IPC requirements," their handling, and the question of evaluation, assessment, or the levying of further requirements in pursuance of information carried in the reports.

2. As I promised, I have discussed this matter with [REDACTED] and Mr. Carey (the latter being the Chief of the Assessments Branch). On the basis of this I have arranged for another conference between the requirements officers of OCI, OSI, and ORR, Messrs. [REDACTED] Carey, and [REDACTED] for 2:30 Monday afternoon in my office, 2 March.

3. It would be appreciated if you could attend. You should feel free to raise any questions which bear upon the IPC and I believe it will be particularly useful to discuss ways in which we may be helpful to the Assessments Branch in its work.
