

ORD # 3587-13

1 AUG 1973

MEMORANDUM FOR: Chief, Target Access Division, ORD 25X1

SUBJECT : Patent Application - [redacted]
25X1 [redacted]

1. Please find attached final draft of the subject patent application, which includes the additional embodiment requested in ORD-1263-73, dated 9 March 1973, same subject.

2. After reviewing the application, please execute the Petition, Declaration and Power of Attorney and the Assignment forms and return the application and forms to me. A Notary Public, licensed in the State of Maryland, is available in the Procurement Division, Office of Logistics.

3. This application will be filed without classified markings as directed in the memorandum cited above.
