MEMORANDUM FOR: Chairman, IPC
THROUGH: Secretary, IPC
SUBJECT: Decrease in Intelligence
on []

25X1

1. As you are aware from a copy of the memorandum on this subject addressed to me from the Assistant Director for Current Intelligence on 3 September 1953, there has been a worsening in the collection of current intelligence information from []

25X1

2. This problem has been brought to the attention of the State Department in a letter, along the same lines as that cited, from the Deputy Director (Intelligence) to Mr. Armstrong.

3. It would be appreciated if FI would raise with the IPC the question of whether or not the potential of covert sources of intelligence information on [] could be expanded to meet the deficiencies noted.
