MEMORANDUM FOR: Assistant Director for Central Reference

SUBJECT: [REDACTED]

25X1A

1. In connection with my work in assisting Mr. Bissell on his special project, I have, in the course of the past year, been thrown into contact with the branch of your office located in Stuart Building handled by [REDACTED] and though he is not directly responsible to me, I have had need to call upon him for special services.

25X1A

2. I want to let you know that those services have been rendered promptly, and they have been well done. [REDACTED] and his people have been accommodating even beyond that which I might have any right to expect.

25X1A

3. [REDACTED] and his people have been imaginative in working out problems to meet the needs of the participating agencies when I have been at a loss for ideas.

4. The type of service rendered by the OCR branch in Stuart Building and the fine attitude displayed in the doing have contributed greatly to the credit of the Agency, vis-a-vis, the other participating agencies, in carrying out arrangements which were critical not only to intelligence production but to the good relations in the community.
